

## Job description – Forklift Driver

### Projects

Five Star Projects focuses specifically on temporary structures and rigging, working across the event industry as well as film & television. Projects has played a large role in some of the biggest Blockbuster movies to be filmed in Scotland in the past number of years across Glasgow, Edinburgh & The Highlands.

We hold a large stock of Layher, LiteDeck, SteeleDeck, Truss, Rigging, Road Plates, Fencing, Barrier, Cabins, and have the largest stock of Anchor Block in Scotland.

Five Star Projects is the newest and fastest growing company in the Five Star Group.

Looking forward to 2022 we expect to be involved in large outdoor concerts & festivals, arts, sports, a number of Film & Television productions as well as some permanent installations in Studios & Music Venues.

**We are on the search for a seasonal counterbalance forklift driver to assist our project team in our yard in Livingston. Experience in a yard environment with scaffolding experience is desirable. Multitasking and the unique ability to deftly handle the unexpected are essential qualities to bring to the position.**

**This is a Full time seasonal position but has the opportunity to become permanent after the summer season.**

**- Forklift License Essential**

**- Start Date Immediate**

Job Types: Full-time, Temporary

Salary: From £26,000.00 per year
